- 1.1. Definitions: In this Addendum, the following terms shall have the following meanings:
 - (a) "**controller**", "**processor**", "**data subject**", "**personal data**", "**processing**" (and "**process**") and "**special categories of personal data**" shall have the meanings given in Applicable Data Protection Law;
 - (b) "**Applicable Data Protection Law**" shall mean: (i) prior to 25 May 2018, the EU Data Protection Directive (Directive 95/46/EC); and (ii) on and after 25 May 2018, the EU General Data Protection Regulation (Regulation 2016/679); and

- 1.2. Relationship of the parties: Client (the controller) appoints Timetabling Solutions as a processor to process the personal data described in the Agreement (the "**Data**") for the purposes described, and the terms set out, in the Agreement, including, for the avoidance of doubt, to provide you with, and update and improve, our services (or as otherwise agreed in writing by the parties) (the "**Permitted Purpose**"). Each party shall comply with the obligations that apply to it under Applicable Data Protection Law.

- 1.3. **Prohibited data:** Unless explicitly requested by Timetabling Solutions to do so, Client shall not disclose (and shall not permit any data subject to disclose) any special categories of personal data to Timetabling Solutions for processing.
- 1.4. **International transfers:** Timetabling Solutions shall not transfer the Data outside of the European Economic Area ("**EEA**") unless it has taken such measures as are necessary to ensure the transfer is in compliance with Applicable Data Protection Law. Such measures may include (without limitation) transferring the Data to a recipient in a country that the European Commission has decided provides adequate protection for personal data (e.g., Australia).

- 1.7. **Subcontracting:** Client consents to Timetabling Solutions engaging third party subprocessors to process the Data for the Permitted Purpose provided that: (i) Timetabling Solutions maintains an up-to-date list of its subprocessors, which shall be available on its website on or before 25 May 2018, which it shall update with details of any change in subprocessors at least 30 days prior to the change; (ii) Timetabling Solutions imposes data protection terms on any subprocessor it appoints that require it to protect the Data to the standard required by Applicable Data Protection Law; and (iii) Timetabling Solutions remains liable for any breach of this Addendum that is caused by an act, error or omission of its subprocessor. Client may object to Timetabling Solutions's appointment or replacement of a subprocessor prior to its appointment or replacement, provided such objection is based on reasonable grounds relating to data protection. In such event, Timetabling Solutions will either not appoint or replace the subprocessor or, if this is not reasonably possible, in Timetabling Solution's sole discretion, Client may suspend or terminate the Agreement without penalty (without prejudice to any fees incurred by Client up to and including the date of suspension or termination).

- 1.11. Deletion or return of Data: Upon termination or expiry of the Agreement, Timetabling Solutions will, on Client's explicit request, delete or return the Data in its possession or control (in a manner and form decided by Timetabling Solutions, acting reasonably). This requirement shall not apply to the extent that Timetabling Solutions is required by applicable law to retain some or all of the Data, or to Data it has archived on back-up systems, which Data Timetabling Solutions shall securely isolate and protect from any further processing.
